

## Information flyer for transport partners - Parking bans at Electrocontact in Marianske, Czech Republic -

Electrocontact has asked us to inform you urgently about parking bans on the premises of the company in Marianske, Czech Republic.

### We therefore ask you to note the following:

No trucks are allowed to park in the areas marked with blue crosses (see photo).

Unfortunately, the photo is not up to date, so that instead of the new roads you can only see fields and woods. However, this area was rebuilt according to the marked roads.

Please instruct your drivers accordingly and make sure that the parking ban is observed.
